THE VILLAGES PARROT HEADS NEWSLETTER

The Villages Parrot Heads lost one of its own in March. Gini Harris, previous Parrot Talk Editor, Membership Director (2008) and Club Secretary (2009), lost her battle with cancer on March 20th. Gini will be remembered for her love for the Parrot Heads and the many contributions she made to assist this club in becoming the success it is today. Her love of this newsletter was well known and I personally plan to keep this banner flying in her honor.

Please take time to remember Billy Harris in your prayers as he goes through this difficult time and adjustments.

It seems like it's been a long time since the sun has shown long enough in The Villages to go outside without a coat. But, we are finally back into a nice weather pattern and TV Parrot Heads have lots of upcoming activities for you to enjoy! So...pick out a few events and come join in the PHun ...It's time for a team drink! For our new Parrot Heads, see page 3 for the story behind the team drink.

Have you cleaned out your closet yet? I have, and I found a lot of things that someone else could use. So, I am taking the opportunity at the April PHlockings to donate the clothing I cannot wear anymore to help someone at Haven House. This organization provides services to victims of domestic violence and sexual assault. Sometimes these women leave their current situation with just the clothes on their back. So, rather than pack those items that I can't wear anymore way in the back of the closet, I am going to let someone else get some use out of them.

Haven House also needs donations for the following: Paper towels, tissues, diapers (all sizes), body wash, soap, tooth paste, toothbrushes, shampoo, hair brushes, hand and body lotions, cleaning supplies, bleach, menstrual supplies!—Not travel size

Please bring donations to the April PHlockings in plastic bags. NO BOXES. For more information about donations for Haven House please call Molly Boatman at 430-3163

THE Legend of the Teeeeeeeeeeam Drink:

Many years ago when pirates ruled the seas, all of these pirates would hang out at Capt. Tony's and wait for ships to run aground by sailing into the shoals. They would ring the bell and sail out to the grounded ship and pummel and pillage the poor souls and gather their booty. Then they would head back to Capt. Tony's to celebrate their new found treasures.

They would raise their glass high above their heads and the Captain would yell to all of his fellow pirates. "In your honor, what time is it?" and all of his shipmates would yell "IT'S TIME FOR A TEEEEEEAM DRINK!". Then everyone would scream and yell at the top of their lungs. This club toast has spread to Parrot Head clubs around the nation.
